### How does it work?

Good dental care is critical to your overall well-being. With Unum Dental<sup>SM</sup> insurance, you can get the attention your teeth need — at a cost you can afford.

Unum Dental allows you to see any dentist you choose.

To get the most from your benefits and reduce out-of-pocket costs, choose an in-network provider by utilizing our large national network. These providers have agreed to file your claims and uphold the highest quality standards. You can find in-network providers at unumdentalcare.com.

# Why is this coverage so valuable?

- Routine dental care keeps your mouth and whole body healthy.
- Your plan is backed by Unum's commitment to excellence in customer service.
- Personalized website and mobile app to manage your benefits including claims information, ID cards and more.
- There's no waiting period for preventive and basic services.

# What's covered?

# In-network preventive care that may be covered up to 100% include (Class A):

- Exams

#### Dependent children

Dependent age guidelines vary by state. Please refer to your policy certificate or contact customer service at (888) 400-9304.

#### Services not listed

If you expect to require a dental service not included on this brochure, it may still be covered. Please contact customer service at (888) 400-9304 to confirm your exact benefits.

#### Alternate treatment

Unum covers the least expensive most commonly used and accepted American Dental Association treatments. Plan members may elect a more expensive treatment, but will be responsible for the cost difference resulting from the more expensive procedure.

#### **Exclusions and Limitations**

Unum members whose dental plan includes coverage of crowns and bridges will have the option of choosing an endosteal implant to replace a missing tooth instead of a conventional fixed 3-unit bridge, when a 3-unit bridge is approved for coverage. Crowns placed on implants will also be covered. Other implants or implant related services are not covered. The following dental services are not covered unless stated otherwise in the Certificate of Coverage:

- any treatment which is elective or primarily cosmetic in nature and not generally recognized as a generally accepted dental practice by the American Dental Association, as well as any replacement of prior elective or cosmetic restorations;
- · the correction of congenital malformations;
- replacement of a removeable device or appliance that is lost, missing or stolen, and for the replacement of removeable appliances that have been damaged due to abuse, misuse, or neglect. This may include but not be limited to removable partial dentures or dentures or dentures.
- replacement of any permanent or removeable device or appliance unless the device or appliance is no longer functional and is older than the limitation in the Schedule of Covered Procedures. This may include but not be limited to bridges, dentures and crown;
- any appliance, service, or procedure performed for the purpose of splinting, to alter vertical dimension or to restore occlusion;
- any appliance, service or procedure performed for the purpose of correcting attrition, abrasion, erosion, abfraction, bite registration, or bite analysis;
- charges for implants (except noted above), removal of implants, precision or semiprecision attachments, denture duplication, or dentures and any associated surgery, or other customized services or attachments;
- services provided for any type of temporomandibular joint (TMJ) dysfunction, muscular, skeletal deficiencies involving TMJ or related structures, myofascial pain.

#### Limitations

 Multiple restorations on one surface are payable as one surface. Multiple surfaces on a single tooth will not be paid as separate restorations. On any given day, more than 8 periapical x-rays or a panoramic film in conjunction with bitewings will be paid as a full mouth radiograph. Pre-estimates are recommended for any treatment expected to exceed \$300.

#### Late entrants:

Employees that waive coverage at initial enrollment (within 31 days of effective date) or in the new employee eligibility period and/or terminate coverage with Unum will have a twelve (12) month waiting period applied to basic and major services and orthodontia upon re-applying. The prior carrier is responsible for reimbursement of costs for procedures begun prior to the effective date.
