

WELCOME TO SENIOR CARE PLUS

For the healthiest reasons.

Senior Care Plus

A Medicare Advantage Plan from Hometown Health.

Welcome to Senior Care Plus!

My Name is **Savannah Gonsalves**

I am a Registered Nurse and your Senior Care Plus Quality Manager. Senior Care Plus is not just an insurance company. We are your partners in your healthcare journey, and we strive to serve you with the exceptional quality and Service that you deserve.

In collaboration with our provider partners like Renown Medical Group, P3 Health Partners and CareMore Health, our goal is to get you the care that you need as soon as you need it and to facilitate the coordination of your care.

When I was a nurse on a cardiac unit, I took great pride in providing excellent care to my patients. Now, as your Senior Care Plus Quality Manager, I take great pride in keeping you out of the hospital.

My team and I work diligently to ensure you receive important preventive screenings and see your primary care provider regularly. We also want to encourage you to have important conversations with your provider, such as how to prevent falls and how to maintain your physical and mental health.

All of us at Senior Care Plus value our members. You are our friends, our family, our neighbors, and our community. We want to keep you healthy and able to do the things you love with the people you love most. Thank you for allowing us to be such an important part of your life.

SINCERELY,

Savannah Gonsalves, RN

Your Senior Care Plus **Membership ID Card**

AS AN ENROLLEE, you must use your SENIOR CARE PLUS MEMBERSHIP CARD whenever you receive any healthcare services and, if applicable, for prescription drugs you order at network pharmacies. If you lose your membership ID card, please call Customer Service and we will send you a new one.

You will receive your card before your start date with Senior Care Plus. Please allow a few extra days for the card to get to you (it normally takes 7-10 business days). If you do not receive your card before that time and you need to pick up a prescription or go to the doctor, please use the letters that you received in the mail from us. They include all the information needed for the pharmacy or doctor's office to verify your eligibility.

WHAT TO DO WITH YOUR RED, WHITE AND BLUE MEDICARE CARD?

As long as you are a member of Senior Care Plus, do not use your red, white and blue Medicare card when receiving covered medical services, except in the case of some clinical research studies and hospice services. Keep your red, white, and blue Medicare card in a safe place in case you need it later.

Premium Payments

If you chose to receive an invoice from us, please wait about a week from enrollment and call **775-982-3112** to pay by phone. You can also set up auto pay during this phone call if you wish. If you chose to pay via SSA check, this information takes about a month to process. Please pay your first premium payment by calling the above number.

If you have an auto-pay or EFTs set up with your current company call to make sure they are canceled so that you aren't charged for the month your coverage with Senior Care Plus begins. Group policies and other Medicare plans will automatically be notified of your enrollment with Senior Care Plus.
