15. Appealing a Claim Denial.

The Trustees have delegated review of denied insurance benefit claims and adverse benefit determinations to the individual health benefit provider(s) identified above ("Claims Fiduciary"). The Claims Fiduciary is responsible for adjudicating claims for benefits under the Plan, and for deciding any appeals of adverse claim determinations. Claims Fiduciary will have the authority, in its discretion, to interpret the terms of the Plan, including the insurance policies, to decide questions of eligibility for coverage or benefits under the Plan and to make any related findings of fact. All decisions made by the Claims Fiduciary will be final and binding on participants and beneficiaries of the Plan to the full extent permitted by law.

These claims review and appeal procedures will constitute the sole and exclusive procedures under the plan available to a participating employee or beneficiary who is dissatisfied with the disposition of a benefit claim and will comply with the requirements of ERISA. A copy of such procedures can be obtained, without charge, from the Plan Administrator. No lawsuit may be brought with respect to plan benefits until all such administrative procedures have been exhausted for every issue deemed relevant by the participating employee or beneficiary.

16. Continuation of the Plan.

The Plan Sponsor and Participating Employers intend to continue the Plan, but reserve the right to terminate or change the Plan at any time.

17. Termination of the Plan.

The Plan Sponsor and Participating Employers do not promise the continuation of any benefits nor do they promise any benefit at or during retirement. The Plan may be terminated at any time by the Trustees. Benefits may be terminated also by the Participating Employer's failure to make contributions or by the termination or expiration of the Participating Employer's agreement adopting the Plan.

Upon termination of the Trust Fund, the Trustees will wind up the affairs of the Trust Fund, and any remaining funds will be used to continue payment of benefits to Participants and their beneficiaries under the Plan.

18. Statement of ERISA Rights.

As a Plan Participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 ("ERISA"). ERISA provides that all Plan Participants shall be entitled to:

- (a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor;

- (b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Administrator may make a reasonable charge for the copies;
- (c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report; and
- (d) Continue health care coverage for yourself, spouse, or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this Summary Plan Description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan Participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court.

If you have executed an Arbitration Agreement and Class Action Waiver, your right to file a claim shall be subject to the terms of that agreement.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publication hotline of the Employee Benefits Security Administration.

B. Eligibility and Participation Rules.

To determine whether you or your spouse and/or dependents are eligible to participate in the Plan, and how to enroll, please read the eligibility section in the attached Evidence of Coverage. The eligibility section also includes rules pertaining to qualified medical child support order (QMCSO) determinations. Please contact the Plan Administrator if you have any questions regarding your coverage.

a. Open Enrollment.

An open enrollment period is a time established by the employer when eligible employees and their eligible family members have the option to enroll in the plan or make changes to current plan coverage. The annual open enrollment period for small employers that are not sole proprietors is the month immediately preceding the renewal date of coverage.

b. Termination of Your Insurance.

Your coverage will terminate as described in the attached Evidence of Coverage.

19. Eligibility of Dependents.

a. Insuring Dependents.

Eligibility of dependents is subject to the terms outlined in the Evidence of Coverage and the Adoption Agreement. Your employer allows the following category of dependent to be covered under the Plan:

- () Employee only
- () Employees and dependent children
- () Employees, spouses and dependent children
- () Employees, spouses, domestic partners and dependent children

Only a person who meets the definition of dependent may become insured for dependents' insurance under the group policy. To become insured, the person must:

- (1) Qualify as a dependent;
- (2) Be enrolled for the dependents' insurance through your participating employer; and
- (3) Reach an eligibility date.

Eligible Dependent – The term “dependent” means only your spouse or domestic partner and unmarried child of an age within the Age Limits for Dependent Children shown below. The definitions of “child” and “dependent” are outlined in the insurance providers' benefit information materials including any child pursuant to a QMCSO. A child shall be deemed, for this insurance, to be a dependent of not more than one person. The term “dependent” does not include a person who is: (a) an eligible employee; or (b) on active duty in any armed forces.

Age Limits for Dependent Children – Dependent health coverage is available to children until the child reaches the age of 26. Eligibility of the child does not depend upon marital status, student status, or tax dependency of the child. Children up to age 26 can stay on their parent's coverage even if they have another offer of coverage through an employer.

Exception to Age Limits – If an unmarried dependent child, when he or she reaches the age limit shown above, is insured under the group policy, chiefly depends on you for support and maintenance, and is continuously unable to get self-sustaining work due to a physical or mental handicap, the child will continue to qualify as a dependent for coverage until the earlier of the following dates: (a) the date he or she recovers from the handicap; and (b) the date he or she no longer chiefly depends on you for support and maintenance. See Evidence of Coverage for more information.

Eligibility Date – A dependent's eligibility date is the later of: (a) your eligibility date; or (b) the date the person qualifies as your dependent.

b. Termination of a Dependent's Insurance.

A dependent's insurance will end on the earliest date shown below:

- (1) The last day for which premiums are paid for your dependents' insurance;
- (2) The last day of the month in which the person no longer qualifies as a dependent; or
- (3) The date your employees' insurance ends.

20. Coverage of Former Medicaid or State Children’s Health Insurance Program Participants.

The Children’s Health Insurance Program Reauthorization Act of 2009 (“CHIPRA”) provides enrollment rights of eligible individuals. The Plan provides the following special enrollment rights for individuals who are eligible for coverage under the Plan but are not enrolled for coverage:

- (a) An employee or eligible dependent who is covered under Medicaid or the State Children’s Health Insurance Program (“SCHIP”) and loses coverage under Medicaid or SCHIP because the employee or dependent is no longer eligible for such coverage may request coverage under the Plan within sixty (60) days of the loss of Medicaid or SCHIP coverage. Like other special enrollment rights under the Plan, qualified individuals may enroll in the Plan outside of the regular open enrollment period; and
- (b) An employee or eligible dependent who becomes eligible for a premium assistance subsidy in the Plan under Medicaid or SCHIP may request coverage under the Plan within sixty (60) days after such eligibility is determined. State-specific notices will be provided to employees regarding the state-provided subsidy after they have been issued by the Department of Labor and Division of Health and Human Services.

21. HIPAA Special Enrollment Period.

HIPAA Special Enrollment Periods apply only to group “Health Coverage”, and not to any other Component Benefit Plan offered under this Plan (e.g., life, disability, etc.). If you, your Spouse, and/or eligible Dependents are entitled to special enrollment rights, you may change your group Health Coverage elections to correspond with the special enrollment right. For example, if you declined enrollment in the medical plan offered under this Plan for yourself or your eligible Dependents because you or they had other medical coverage and eligibility for such other coverage is subsequently lost (for example, due to legal separation, divorce, death, termination of employment, reduction in hours, or exhaustion of COBRA coverage), you may be able to elect medical coverage (and if applicable, dental and/or vision coverage) under the Plan for yourself and your eligible dependents who lost such coverage. Before the COVID-19 outbreak, you were required to request enrollment in writing within 30 days after your or your Dependents’ other coverage ends (or after the Participating Employer stops contributing toward the other coverage).

In addition, you may make a change to your Health Coverage due to your marriage or the birth, adoption, or placement for adoption of a child with you. Written requests received within 30 days of the birth of a child or adoption or placement for adoption of a child with you will permit you, your child(ren) and your eligible Spouse/domestic partner, if elected, to be covered retroactively to the date of birth, adoption or placement for adoption. Before the COVID-19 outbreak, written requests received within 30 days of your marriage will permit you, your eligible Spouse/domestic partner and your Dependent children, if elected, to be added to your coverage prospectively on the first day of the month following the date of your written request.

Please note that the HIPAA special enrollment periods have been extended due to the COVID-19 outbreak. The HIPAA special enrollment periods will be extended until 60 days after the announced end of the National Emergency period (or later date announced in subsequent guidance from the Department of Labor or Department of Treasury). That extended period is referred to as the “Outbreak Period” and will be generally disregarded when calculating deadlines related to HIPAA special enrollments, COBRA continuation coverage, and claims and appeals extensions.

This temporary emergency relief provides that special enrollment periods to add a new Dependent due to marriage, divorce, birth, adoption, placement for adoption, or loss of eligibility for other health coverage for events that occurred during the Outbreak Period will be accepted with the required documentation up to 30 days after the end of the Outbreak Period. Requests to add or drop Dependents due to eligibility/loss of SCHIP or Medicaid will be accepted with the required documentation up to 60 days after the end of the Outbreak Period. Please contact the Plan Administrator for additional information regarding modification to the HIPAA special election periods during the COVID-19 outbreak.

You may also cancel or modify your medical insurance during the current Plan Year if the reason for canceling or modifying your election is on account of your, your Spouse and/or your eligible Dependent (i) losing coverage under a Medicaid Plan under Title XIX of the Social Security Act; (ii) losing coverage under a State Children’s Health Insurance Program (SCHIP) under Title XXI of the Social Security Act; or (iii) becoming eligible for group health plan premium assistance under Medicaid or SCHIP. However, to cancel or modify your medical insurance, you must make a written election to the Plan Administrator no later than 60 days after the loss of coverage or eligibility for premium assistance. Please note that these dates may be modified due to the COVID-19 outbreak.

An individual who loses coverage as a result of either a failure to pay premiums on a timely basis or for cause (such as for making a fraudulent claim or an intentional misrepresentation of a material fact in connection with prior health coverage) does not have the right to enroll under this Subsection.

Other Mid-Year Enrollment Changes Period: Generally, you cannot change the enrollment elections you have made after the beginning of the Plan Year, other than during an Annual Enrollment Period or HIPAA Special Enrollment Period. However, there are certain other limited situations when your enrollment elections may be changed during the Plan Year, such as if you experience a change in your employment or family status. Please review your Section 125 Cafeteria Plan, if any, for a more information regarding the events that may permit a mid-year enrollment change under this Plan.

22. Continuing Coverage (COBRA).

You, your spouse, and/or your covered dependents may elect to continue your coverage under the Plan through federal legislation called COBRA. You will be required to pay premiums for this continued coverage. COBRA coverage procedures are explained in the attached Evidence of Coverage

Please note, however, that the COBRA election and premium payment deadlines have been extended due to the COVID-19 outbreak. This temporary emergency relief provides that COBRA deadlines, including COBRA election and premium due dates, will be disregarded until the earlier of (1) one year from the date you were first eligible, or (2) the end of the Outbreak Period. Put differently, due to the COVID-19 outbreak, Participating Employees and family members have significant additional time to elect and pay for coverage. Please contact the Plan Administrator for additional information regarding modification to the COBRA election and premium payment deadlines during the COVID-19 outbreak.

Questions concerning this Plan, or your COBRA continuation coverage rights should be addressed to the Plan Administrator. For more information about your rights under COBRA, the Health Insurance Portability and Accountability Act ("HIPAA"), and other laws affecting group health plans, contact the nearest Regional or District Office of the EBSA or visit the EBSA website at www.dol.gov/ebsa. Addresses and telephone numbers of Regional and District EBSA offices are available through EBSA's website.

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. In addition, even if your dependent children are covered under a ("QMCSO"), you, and/or your spouse should notify this office immediately of his, her or their address(es). You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

23. Continuing Coverage (USERRA).

If you experience a leave of absence from your employment to perform service in the uniformed services, the Uniformed Services Employment and Reemployment Rights Act ("USERRA") provides you with rights to elect to continue your coverage under the Plan that is separate from and in addition to COBRA continuation coverage rights. Uniformed services mean the Armed Forces, and the Army National Guard, when you are engaged in active duty or training, or inactive duty training. Uniformed services also include full-time National Guard duty, the commissioned corps of the Public Health Service, and any other persons designated by the President in a time of war or national emergency. Service in the uniformed services means voluntary or involuntary duty, active duty, and inactive duty for training. It also includes periods away from work for an examination to determine fitness to perform duty.

If you are a Participating Employee, you have a right to elect continuation coverage under USERRA for yourself and your covered dependents if you would otherwise lose coverage under the Plan because of service in the uniformed services. Unlike under COBRA, your dependents do not have an independent right to elect USERRA continuation coverage.

Under USERRA, you may elect to continue coverage under the Plan up to the lesser of (a) 24 months or (b) the date you return or should have returned to active employment, or, if applicable, applied for reemployment. Unlike COBRA, there are no additional qualifying events that would entitle you to extend the period of continuation coverage beyond the 24-month period. In addition, there is no entitlement under

USERRA for any extension based on your disability or the disability of a qualified beneficiary. USERRA continuation coverage is identical to coverage provided under the Plan to similarly situated individuals.

USERRA continuation coverage is similar to COBRA continuation coverage, but it is not identical, and there are important differences. If you elect both USERRA and COBRA continuation coverage, they will run concurrently. If you elect continuation coverage under both federal laws, you will be provided with the coverage that is most favorable to you. For example, if your COBRA continuation coverage terminates at the end of an 18-month period, you may continue to receive continuation coverage under USERRA up to a total of 24 months. Similarly, if your COBRA continuation coverage terminates before the maximum period because you become covered under another employer's plan, you may continue USERRA continuation coverage up to a total of 24 months.

USERRA continuation coverage terminates when any one of the following events occurs:

- (a) The date on which you fail to return from military service to active employment or apply, if applicable, for reemployment as required under USERRA;
- (b) The end of the maximum 24-month period, beginning on the date on which your military leave of absence began;
- (c) You fail to make a timely payment for your continuation coverage;
- (d) The date on which you are discharged from military service under other than honorable conditions, or under conditions that prohibit your reinstatement under USERRA; or
- (e) The Participating Employer no longer provides group health coverage to any employees.

To qualify for USERRA continuation coverage, you must provide your employer with advanced notice of your military service, as required under USERRA. You will receive a notice from the Plan Administrator regarding USERRA continuation coverage and an Election Form. Like COBRA, you must elect USERRA continuation coverage by returning the election form to the Plan Administrator within the 60-day period identified in the election form. If you fail to return the election form during this time period, you will lose the right to continuation coverage under USERRA. There are limited exceptions when it would be unreasonable or impossible under the circumstances to provide a timely notice, such as military emergency.

Like under COBRA, you must pay the entire cost of continuation coverage under USERRA for your coverage and coverage for any dependents. In addition, you will be required to pay a 2 percent administration fee along with each premium payment. The costs of continuation coverage will be identified in the Election Form provided to you by the Plan Administrator. Like COBRA continuation coverage, your initial premium

payment(s) must be made within 45 days of your electing USERRA continuation coverage. Subsequent payments must be made on a monthly basis. You will be provided a grace period of 30 days after the first day of the coverage period to make each monthly payment. Failure to pay premium costs before the end of the grace period will result in the loss of continuation coverage.

If your coverage under the Plan is terminated as a result of your service in the uniformed services, your coverage will be reinstated upon your return to active employment under the requirements of USERRA.

Questions concerning your rights to USERRA continuation coverage should be addressed to the Plan Administrator. For more information on your rights under USERRA, contact the nearest office of the Department of Labor Veterans' Employment and Training Service ("VETS") or access the VETS website at www.dol.gov/vets.

In order to protect your and your dependents' rights under USERRA, you should keep the Plan administrator informed of any changes in your or the addresses of family members. You should also keep a copy, for your records, of any notices or form that you send to the Plan Administrator.

24. Participation During FMLA Leave.

If your Participating Employer is a large employer subject to the Family and Medical Leave Act of 1993, you will have the right to continue any Health Coverage during the period of leave if Health Coverage was in effect prior to the date on which the leave began. However, you have different options with regard to your Health Coverage, depending upon whether the FMLA Leave is paid leave or unpaid leave and you will be responsible for any premium payments during the leave. You will need to arrange for payment of premiums during your FMLA leave with your Participating Employer. For information regarding continuation of coverage under Component Benefit Plans other than Health Coverage during FMLA Leave, contact your Participating Employer.

Effective April 1, 2020, if you are determined to be an "Eligible Employee" and your Participating Employer is covered by terms of the Emergency Family and Medical Leave Expansion Act, which was included in the Family First Coronavirus Response Act, you will have to the right to continue Health Coverage during your protected leave. You will need to coordinate premium payments and eligibility for Emergency FMLA leave with your Participating Employer.

25. Other Paid and Unpaid Leaves.

Employees in California may be eligible for leave under the California Family Rights Act (CFRA), Pregnancy Disability Leave Law (or PDL), or other California laws. In some instances, these state laws may allow employees to continue their group health coverage during these leave periods.

Furthermore, in some cases, Participating Employers may allow an employee to go on a leave of absence that is not subject to FMLA, CFRA, USERRA, or PDL; in these

instances, the employee may no longer satisfy the eligibility requirements of the Plan, including the Component Benefit Plans, and Plan participation and benefits will terminate.

The Plan Documents for each Component Benefit Plan describe in more detail any rights, limitations, and obligations Participants may have to benefits while on paid or unpaid leave, including FMLA, CFRA, USERRA, or PDL leave. Participants should contact their Participating Employer for additional information about any rights they may have to leave and to benefits while on leave.

Participation Upon Rehire: If you terminate your employment with your Participating Employer and are then rehired, you may be permitted to resume participation in the Component Benefit Plans, if and when you satisfy the eligibility requirements applicable to those Component Benefit Plans. Please check with your Participating Employer for more information.

26. Maternity Benefits.

Group health plans and health insurance issuers offering group health insurance coverage generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a normal vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

27. Qualified Medical Child Support Order.

A Qualified Medical Child Support Order ("QMCSO") issued by a court or a state agency requires the Plan to provide health coverage to the child(ren) of a Plan participant. The Plan has adopted Qualified Medical Child Support Order Procedures to determine whether a particular order qualifies as a QMCSO. Plan participants and beneficiaries can obtain, without charge, a copy of these procedures from the Plan Administrative Manager.

Participating employers that receive a QMCSO or a National Medical Support Notice from a state agency should provide affected participants with the following forms available from the Department of Child Support Services website: Statement of Obligor's Rights and Procedures Regarding a National Medical Support Notice (NMSN) or Health Insurance Assignment Order; Request and Notice of Hearing Regarding Health Insurance Assignment; and Information Sheet and Instructions for Request and Notice of Hearing Regarding Health Insurance Assignment.

28. Restrictions on Lifetime Limits for Coverage of Benefits.

Individuals whose medical coverage ended because they reached a lifetime limit under the Plan are eligible to enroll in the Plan if they meet eligibility requirements. Individuals have 30 days from the date of notice to request enrollment. For more information, contact the Plan Administrator.

29. Patient Protection Disclosure.

The Plan provides certain patient protection under the Patient Protection and Affordable Care Act. The Plan generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, the health insurance issuer designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the Plan Administrator.

For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization from the Plan or health insurance issuer or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the Plan Administrator.

30. Mental Health Parity Act.

The group health plan must generally comply with the provisions of the Mental Health Parity and Addiction Equity Act of 2008, including that the group health plan's financial requirements (such as co-pays and deductibles) and treatment limitations (such as annual visit limits) that are applicable to mental health or substance use disorder benefits are no more restrictive than the predominant requirements or limitations applied to substantially all medical/surgical benefits.

31. Special Rule for Women's Health.

If a health benefit plan available under the Plan provides medical and surgical benefits for mastectomy procedures, it shall provide coverage for reconstructive surgery following mastectomies. This expanded coverage includes reconstruction of the breast on which the mastectomy has been performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, and prostheses and treatment of physical complications at all stages of mastectomy, including lymphedema. These procedures may be subject to annual deductibles and coinsurance provisions that are similar to those applying to other benefits under the health benefit plan or coverage.
