P3 Health Partners is a patient-centered, physician-led, healthcare service with a big heart and an even bigger vision: to lead healthcare in a new direction by cultivating wellness, not just managing illness.

The P3 Care Model

P3 has developed an innovative care model that prioritizes patient wellness. Their care model is defined by seven key components, which combine to form P3 Health Partners unique approach to patient care.

The P3 Care Model Includes:

Education

Education is key to preventing disease and living a healthy, active life. P3 provides you with access to a wide range of educational resources you can use to move through life with vitality and energy.

Tools and support to manage illness

Managing an illness can feel overwhelming, but P3 works hard to make it seamless.

Prevention and wellness support

Your P3 Care Team makes prevention a top priority, encouraging healthy habits and watching lab results for indicators to keep an eye on.

Medication management

The P3 Care Team works directly with your doctor to track and manage your medication schedule, so you get the medications you need on time.

Dedicated nursing support

P3's dedicated Nurse Practitioners, RNs, and medical professionals are ready to help in and outside the office.

Easy access to community resources and services

Finding community support to manage your care can be challenging. P3 can help you connect with the resources and services in your area that can help.

Transition of care teams

Major transitions like moving from hospital to rehab center require complex care issues to remove the stress of moving and ensure continuity of care. Often patients are caught with little notice when a facility requires that a patient be moved. P3 handles those details for you, ensuring all caretakers have your complete health information.

SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the “Evidence of Coverage.” You can also see the Evidence of Coverage on our website, <http://www.seniorcareplus.com>.

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as Senior Care Plus Complete Plan (HMO)).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what Senior Care Plus Complete Plan (HMO) covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on <https://www.medicare.gov>.
- If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at <https://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Sections in this booklet

- Things to Know About Senior Care Plus Complete Plan (HMO).
- Monthly Premium, Deductible, and Limits on How Much You Pay for Covered Services.
- Covered Medical and Hospital Benefits.
- Prescription Drug Benefits.

This document is available in other formats such as Braille and large print.

This document may be available in a non-English language. For additional information, call us at 1-800-681-9585 (TTY: 711).

Who can join?

To join Senior Care Plus Complete Plan (HMO), you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and you must live in our service area. Our service area includes these counties in Nevada: Clark and Nye.

Which doctors, hospitals, and pharmacies can I use?

Senior Care Plus Complete Plan (HMO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider and pharmacy directory at our website (<http://www.seniorcareplus.com>).

Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and more. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, <http://www.seniorcareplus.com>.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of six "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage, Coverage Gap and Catastrophic Coverage.

If you have any questions about this plan's benefits or costs, please contact Senior Care Plus

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-888-775-7003 (TTY 711).

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit <http://www.seniorcareplus.com> or 1-888-775-7003 (TTY 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2022.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

If there isn't any information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

Please Read and Sign Below

By completing this enrollment application, I agree to the following:

Senior Care Plus is a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future.

I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: October 15 – December 7 of every year), or under certain special circumstances.

Senior Care Plus serves a specific service area. If I move out of the area that Senior Care Plus serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of Senior Care Plus, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Senior Care Plus when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

I understand that beginning on the date Senior Care Plus coverage begins, I must get all of my health care from Senior Care Plus, except for emergency or urgently needed services or out-of-area dialysis services.

I understand that beginning on the date Senior Care Plus coverage begins, using services in-network can cost less than using services out-of-network, except for emergency or urgently needed services or out-of-area dialysis services. If medically necessary, Senior Care Plus provides refunds for all covered benefits, even if I get services out of network. Services authorized by Senior Care Plus and other services contained in my Senior Care Plus Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR Senior Care Plus WILL PAY FOR THE SERVICES.**

I understand that if I am getting assistance from a sales agent, broker, or other individual employed by or contracted with Senior Care Plus, he/she may be paid based on my enrollment in Senior Care Plus.

Release of Information: By joining this Medicare health plan, I acknowledge that Senior Care Plus will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that Senior Care Plus will release my information including my prescription drug event data to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and

regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of the State where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that 1) this person is authorized under State law to complete this enrollment and 2) documentation of this authority is available upon request from Medicare.

 Drug Services Rating: ★★★★★☆

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

The number of stars show how well a plan performs.

- ★★★★★ EXCELLENT
- ★★★★☆ ABOVE AVERAGE
- ★★★☆☆ AVERAGE
- ★★☆☆☆ BELOW AVERAGE
- ★☆☆☆☆ POOR

More stars mean a better plan – for example, members may get better care and better, faster customer service.
