

Personal Emergency Alert System (PERS) Benefit Overview

Broker use only.

Senior Care Plus has partnered with **NationsBenefits®** to provide members with access to a medical alert system, in partnership with ADT®. Members will receive around-the-clock monitoring for greater peace of mind, independence, and safety. Medical alert systems provide members with help at the push of a button.

MEDICAL ALERT SYSTEMS FOR EVERY LIFESTYLE

The benefit includes one of the following:

On-The-Go (4G)

Provides freedom and peace of mind whether at home or miles away.

Medical Alert Plus (4G)

Extended range offers additional functionality for those who wish to step outside of their home and feel protected.

Medical Alert Basic

Allows members and their loved ones to feel confident and safely independent at home.

Exceptional Service Delivery

24/7/365 monitoring services.

Trained Monitoring Professionals

ADT monitoring professionals are trained to care for members' needs and health-related concerns.

Immediate Response

Members can simply press the help button and an alert is sent to an ADT monitoring agent who can arrange for help and contact loved ones on their behalf.

Two-Way Voice Communication

Within 75 feet of a medical alert system, a person's normal speaking voice can alert the monitoring center in case of an emergency.
