What it means to be a member of an **EPO Plan**

WELCOME TO HOMETOWN HEALTH! YOUR INSURANCE PLAN IS WHAT'S KNOWN AS AN EXCLUSIVE PROVIDER ORGANIZATION (EPO) WHICH MEANS YOU CAN CHOOSE IN-NETWORK PROVIDERS WITHIN A BROAD NETWORK AND CAN SEE SPECIALISTS WITHOUT A REFERRAL FROM YOUR PRIMARY CARE DOCTOR. THIS MAY BE A BETTER OPTION IF YOU TRAVEL WITHIN THE STATE OF NEVADA AND WANT THE FLEXIBILITY OF A LARGER NETWORK, BUT DON'T NECESSARILY NEED OUT-OF-NETWORK, OUT-OF-STATE BENEFITS.

As a Hometown Health EPO plan member, it is recommended that you establish care with either a Renown Primary Care Provider or with a Hometown Health-contracted Provider. This provider will coordinate your medical care including checkups, immunizations, referrals to specialists, lab work, x-ray & imaging and hospital admissions. As part of your plan, a referral from your primary care provider will not be required but be aware that most specialists will require a doctor-to-doctor referral.

Your Hometown Health EPO plan will cover healthcare services that are in-network. If your EPO network does not have a service available, Hometown Health will review the referral for an out-of-network authorization. You will still have access to urgent and emergent care outside of your specialized Renown network, should you need it while travelling outside of Nevada.

NEXT STEPS FOR YOUR HEALTH AND WELLNESS JOURNEY

As a Hometown Health EPO member, your Primary Care Provider will be an important partner in your health and wellbeing. If you have not already established with a healthcare provider, please call **775-982-5000** and a representative will help you schedule your first appointment. You may also access Hometown Health's Find A Doctor Provider Directory and view Primary Care Providers (PCP). This portal will allow you to search for your current PCP, to see if they are contracted with your new Hometown Health benefit plan or find a new plan-contracted PCP if necessary. Note, the name of your Provider Network is located on your ID card.

Your Member ID card will be available in MyChart starting the first day your benefits are active. Hometown Health will also send cards to you in the mail, which may take up to two weeks to arrive after that active date.

MANAGE YOUR HEALTH WITH MYCHART

After your first appointment, ongoing communication and appointment scheduling will be available in MyChart, Renown's secure patient portal. For EPO members who have a Renown PCP or receive other services through Renown, this portal will be a helpful tool in managing your healthcare information.
